Gary L Wilkins Senior Pastor

It is my honor and privilege to recommend the ministry of Evangelist Stephen Perkins and his dear family. Brother Perkins and his family were faithful members of our church here in Maine for many years. He served faithfully with his whole heart. We found him to be loyal just as his preacher father Don Perkins who pastored here in New England and is now in Heaven. You would do well to use him for preaching or church building help. His wife and daughters are wonderful and zealous soul winners. May the Lord bless your work. Thank you for allowing me to refer brother Perkins for the work of the ministry.
