Brothers and Sisters in Christ,

I am writing this letter on behalf of Stephen Perkins and his family. They are evangelist to our very needy country of America. I have had the joy of knowing them for over 5 years. We met them at a conference where we learned of what he is doing and more importantly his, and his families, heart! They are the REAL deal, what you see is what you get! There has never been a doubt of their love for the Lord and for church planters.

We have had the blessing of having Brother Perkins at our church since we began in 2015. During their stay, him and his family would go on visitation, canvas, clean, sing, assist in any capacity needed and his preaching has the hand of God upon it. They will pull up their sleeves and get busy helping anywhere needed. It is truly unexplainable how much of a blessing it is to have them come up beside you and assist with the work needed in church planting.

The teaching and preaching done by Brother Perkins is spot on and is an assistance to "new" Christians. He understands what is needed when Christians are being saved and how to challenge them from the Word of God. The singing from the young ladies is full of the Spirit of God and comforting to the soul. I would recommend this family to anyone that is need of assistance. I would further recommend that churches get behind the Perkins family with prayer and financial support. The work this family is doing for the Lord is absolutely needed and has been forgotten. They need financial support and prayers, and I would suggest you get behind them and get in on the blessings of God!

God bless,

Brother Dean Francini
